Avoca State School Voluntary Family Contribution - 2025

Dear Parents and Carers

Firstly, a very warm welcome to students, parents and carers who have arrived at our wonderful school for the first time, and an equally warm welcome back to our continuing students, parents and carers.

Our Avoca State School community, comprising the teaching staff, school administration and P&C Association is focusing on improving our facilities and resources within the school and we are committed to making this year another special year for our most precious asset - our children.

Over the years, our Family Contributions have enabled the school to purchase computers, resources for classrooms, playground equipment, shade structures and air conditioning.

To achieve these goals, we need your support. This year the **suggested voluntary contribution is \$40 per child or \$60 per family**. Families are **welcome to contribute a larger or smaller amount** and they also have the option of paying their contribution in instalments. Families can also contribute by volunteering for P&C fundraisers. Please come along to P&C meetings to find out where you can help with upcoming fundraisers.

We look forward to your continued support of our wonderful school and to receiving your family contribution. Your contribution helps to provide the very best for our children. Let's all help to make 2025 a great year!

Payment options available: cash, eftpos or direct deposit

Yours sincerely,

Jeff Morley
Principal - Avoca SS
